

XB7

STRAW BLOWER

INNOVATION FROM WITHIN

Setting the new standard in Straw Blowers

Mulch 2-3 acres in an hour or less with our rugged Apex XB7 Straw Blower. Built to cover more in less time, it can discharge up to 7 tons of hay or straw an hour at distances up to 65 feet, making it more than capable of handling jobs usually reserved for much larger machines.

For the most dependable straw blowing for the toughest jobs out there, trust the Apex Difference.

49 hp Kohler Diesel Engine
